प्रिय अनिकेत आघाव जी,
संपादक, सारस-विक्रम

सर्वप्रथम तो मैं आपका व अध्यक्ष अनिल सुगंधी जी का अभिनंदन करना चाहूंगा। जिस तरह एक स्वस्थ और प्रभावशाली परंपरा लायंस क्लब पूना सारसबाग निरंतर निभाता आ रहा है, उसे आपने मासिक तौर पर प्रकाशित करने का जो संकल्प लिया है वो अद्भुत है क्योंकि प्रांत के हर एक लायन सदस्य तक क्लब के सेवा कार्यों को पहुँचाने की भूमिका क्लब के मुखपत्र "सारस-विक्रम" ने काफ़ी सुचारु और उम्दा तरीके से निभाई है।

लायंस क्लब ऑफ़ पूना सारसबाग ने प्रांत ही नहीं पूरे लायंस के वैश्विक स्तर पर जिस तरह अपने आपको प्रस्थापित किया है उसका मूल है एक उन्नत क्रिस्म की नेतृत्व शैली, प्रभावी सेवाकार्यों का अंबार व क्लब में समाज के उत्कृष्ट वर्ग की सदस्यता। सारसबाग क्लब के स्थाई प्रकल्प हमारे लिए एक अमूल्य धरोहर है जिसके माध्यम से लाखों जरूरत मंद लोगों की जिंदगी में आमूलचूल परिवर्तन आया है। जिसका श्रेय क्लब के सभी पूर्वअध्यक्षों के समर्पण व हम सबके प्रेरणा स्रोत आदरणीय फ़तेहचंद रांका जी की शानदार व सर्वसंमोहित नेतृत्व कला को जाता है।

हम सब आशान्वित हैं की आनेवाले समय में सारसबाग क्लब और भी बड़े व लोकानुखी प्रकल्प लेकर आएगा जिसके माध्यम से स्वच्छता, साक्षरता, उत्तम स्वास्थ्य सेवा व सामाजिक समरसता के लक्ष्यों को आसानी से हासिल किया जा सकता है। गरीबों, जरूरतमंदों और बेसहारा लोगों की सेवा करके जो महान समाज सेवा आपके द्वारा की जाती है, उसने बताया है कि पीड़ित मानवता के लिए लायंस की मानवीय समाज सेवा क्या कर सकती है, लायंस सारसबाग परिवार के इस योगदान को एक अमिट उदाहरण के तौर पर हमेशा याद रखा जायेगा और ऐसे उदाहरण ही लायनिज़्म फ़र्स्ट की भावना को प्रबल बनाते हैं।

आपको लायंस के सेवारथ में जब भी, जहाँ भी, जैसे भी मेरी आवश्यकता होगी, आपका दोस्त वहाँ आपको खड़ा मिलेगा।

हमेशा आपका
लायन परमानन्द शर्मा, PMJF

Dear Lion Aniket Aghaw,

At the outset please accept my congratulations on being appointed as the club PRO and editor of your club bulletin Saras Vikram. It is indeed impressive that your club magazine is in circulation since 1983 and keeping up with the changing times, it is now in the e-bulletin format. I am also very impressed with your resolve to change the magazine from releasing quarterly editions to monthly editions.

Lions Club of Pune Sarasbaug is one of the premier clubs of district 3234D2 and has been giving needful services to the society for the last 45 years. Service to its community is what differentiates good people from the masses. Lions Club is a platform where good people come together to help their brethren and the Lions from your club are amongst the best of such good people. I have known and interacted with many Lions of your club over my Lionistic career spanning almost three decades. Some of my closest friends are from your club. I have had the privilege of working with many of your club members during the year where Lions Club of Sarasbaug gave leadership to the district under Past Multiple Council Chairperson Lion F.N. Ranka. He indeed created a golden era of Lionism and Lionism flourished in our districts of Pune, Nagar and Nashik.

I would like to convey a thought to the club members of Lions Club of Sarasbaug, that membership in this club is a wonderful opportunity which can help them excel in the work of serving the humanity. For those who are new to this club, I would urge them to build on the legacy of this 45 years of service and create an unparalleled association. And particularly for you, Lion Aniket, I appreciate your enterprise and would be happy to associate with you in your endeavors in this Lionistic year.

WE ARE ALL ONE

LIONS CLUB OF POONA SARASBAUG

BEACON OF HOPE WHERE DARKNESS PREVAILS

Friends we were deeply saddened with the graphic state of affairs we witnessed at MAHAD City during last years' torrential rains, Houses & Shops destroyed, Businesses closed, Families displaced, Medical facilities running in chaos. There were many Organisations & Individuals, Political & Non-Political who came forward to help curb the Crisis, but most were there for just Show and Pomp & then there were a few organisations like Lions Club of Poona Sarasbaug who were there to Serve Humanity. We were able to reclaim faith in Humanity amongst those in distress.

Our efforts contributed to the most essential of things required to ease the distress, this was immediately recognised and highly appreciated by Maharashtra Cabinet Minister Aditi Tatkare who was present on Ground Zero and she immediately issued orders to her team that the Relief Material (Rs. 5,00,000) come from Lions Club of Poona Sarasbaug is to be despatched on #1 Priority, to highlight a few, our Water & Rice contribution was immediately directed towards Mangaon Tehsildar Office, we rushed there, where a huge kitchen was mocked up for preparation of food for the Flood affected, Clean Drinking water was highest on the essential list which our efforts served. Our contribution towards Blankets, Towels, Biscuits, Candles, Matchboxes, Sanitary Napkins, etc.. were rushed to the Camps set up, our contribution towards Phenyl were immediately dispatched to all Medical facilities. For what it's all worth we are "PROUD TO BE A LION" and privileged to be amongst such great Humanitarian Friends.

The fact that we were able to touch the lives of those in need and be that "Beacon Of Hope", is the greatest gratification we could have gained out of this and this gives us even a greater purpose to strive more for those 'Less Privileged'.

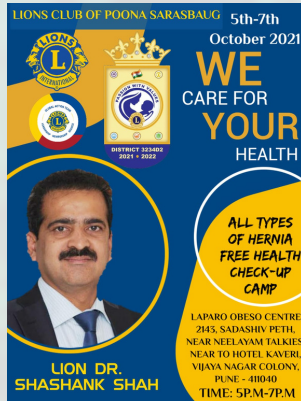

We would like to take this opportunity to convey a Special thanks to Lion Vishal A Shah who was responsible for our Co-ordination with Maharashtra Cabinet Minister Aditi Tatkare and all our Fellow Lions Donors and club members without who this MISSION would not have been ACCOMPLISHED.

SARAS DIALYSIS CENTRE

Established on the 1st Of February, 2009, at 'Ranka Hospital', with just 3 Beds and a Waiting list of more than 350, "The Lions Club of Poona Sarasbaug Charitable Trust", swung into action and in 2014, we purchased our own building with the 'State of the Art Dialysis Facility', having today a total of 11 Dialysis machines, operating in 3 shifts with a highly dedicated Staff of Professional Technicians and Support staff. Saras Dialysis Centre since the last 13 years has been a "Beacon Of Hope", for the Economically affected and under privileged members of our Society battling kidney failure.

This disease snatches the lives of thousands every year. Kidney failure patients are required to undergo dialysis activity twice or thrice a week, i.e 8 to 12 times a month. Private hospitals are charging 1200/- to 2500/-per dialysis session which is not affordable to patients even if the earning is Rs. 20,000 to Rs. 25,000 per month.

In private hospitals besides dialysis charges, the patients has to bare charges related to dialyzer, tubing, hypotherene injections, pathology charges and various other charges which unfortunately they are required to pay.

We are proud to announce that we charge "Only Rs.200", per dialysis session and other requirements are available at cost price.

Reputed Nephrologist Dr. Abhay Sadre visits Saras Dialysis Center as "Honorary Doctor". From day one he has given his service free. The success of our Dialysis Center is due to his dedication, devotion, involvement, guidance and constant support.

We are proud to inform that 13 of our patients underwent successful Kidney transplants because of the 'Timely and Thorough Professional Treatment', rendered to them at 'Saras Dialysis Centre'. From Feb'09 Till June'22, "Saras Dialysis Centre", has successfully conducted "83,098 Cycles of Dialysis", without a single casualty, and we are proud to also state, that our Dialysis Centre is the only Dialysis Centre in India, operated entirely by a Single Club of 'Lions Club International'.

It has been our continuous endeavor, "To Serve", and when we see the smiles on the faces of our patients going home happy after a 'Successful Session', it cannot be penned down in words.

Saras Dialysis Center is our Permanent Prestigious Project and is successfully running on donation received. All donation received are kept in Fixed Deposit with the Bank, and interest accumulated from such donation is utilized to meet the deficit of the dialysis session. Our basic expense for each dialysis is Rs 1000 per session. In addition to the Fixed Deposits, the Trust has floated as scheme known as "MITI YOJANA", to meet the deficits. Life is but a stopping place,
A pause in what's to be,
A resting place along the road,
To sweet eternity.

We all have different journeys,
Different paths along the way,
We all were meant to learn some things,
But never meant to stay...

Our destination is a place,
Far greater than we know.
For some the journey's quicker,
For some the journey's slow.

And when the journey finally ends,
We'll claim a great reward,
And find an everlasting peace,
Together with the Lord.

LIONS CLUB OF POONA SARASBAUG

Greetings My Fellow Lions,

After one year on the President Chair, I am overwhelmed with mixed emotions. During my term of office, I hope that I have been able to serve our Club to its reputation and was able to make my views and give a lending hand to all those who we served for the betterment of society.

Let me begin by saying how privileged I feel to have had the opportunity to serve our Club with the unequitable support of my Secretary Ln. Anjali Oswal and my Treasurer Ln. Poonam Ashtekar. I truly feel that the last one year have been fulfilling, and have given me the opportunity to gain valuable experience in the workings of our Club and its affiliates in International and in our District 3234 D-2.

Even with the early setback due to Covid 19 and its challenges, I was able to start my term on a high and was also fortunate enough to end the year with more than 300 activities ranging from Eye Camps, Health Check-ups, organising funds for Flood which devastated the city of Mahad, Tree Plantations in one acre of land in Talegaon, donating over 400 chairs and 75 Library Shelves to various schools across Pune, donating School Uniforms worth Rs. 50,000 to KalaAshram, Talegaon. In my term I was fortunate enough to establish not only 1 but 3 Permanent Projects which includes

1. Donation of 10 ICU Beds and 10 Syringe Pumps to Tarachand Hospital, Pune.
2. Building of Computer Lab and Science Lab at T.J. Gosavi Highschool, Pune.
3. Building the entire first floor for Nayashi High School, Chiplun.

I am happy to announce that our Club was the first club in the entire district 3234 D2 to conduct a Free Hernia Check-up. Various members of our district and our club did Free Hernia Check-up which was done by the help of renowned doctor and our very own club member Ln. Dr. Shashank Shah & Ln. Dr. Poonam Shah at "Laparo Obeso Centre", Pune.

Not only in the terms of activity, me and my team were able to shine in Administration Part also, which helped us win "Best Secretary Award", stood second in Lions Quiz, "Best Permanent Project for Dialysis Centre" in Region Conference.

Before ending let me acknowledge many debts of gratitude. My job as a President would have been much more difficult if it were not for the support and advice of many colleagues. I will not forget the assistance and support that I have received by members of my Club throughout my tenure.

Among my colleagues, it would be very remiss of me if I do not mention and convey my heartfelt and special thanks to Ln. F.N. Uncle, who kept faith in me and made the President of this esteem club. He has always stood beside me, mentored me and guided me to the highest success of the Presidentship.

Last but not the least I would like to thank my husband Ln. Utkarsh Gandhi for his continuous support and advice which help me to reach the top of my Presidentship.

As for me, one part of a very challenging and illuminating experience is coming to an end, one that I will treasure for the rest of my life. I would like to congratulate the upcoming team for L.Y. Year 2022-2023 and assure a full support to the new committee.

LIONS CLUB OF POONA SARASBAUG

My Dear Lions,
"My Journey As Secretary"

There's an old saying, "All That Starts Well Ends Well". So did my journey in the L.Y 2021-22 as the 'Club Secretary'. It was nothing less than 'Eventful'. But ofcourse, this doesn't mean i did not have my fair share of challenges.
"A Smooth Sea Never Made A Skillful Sailor".

As i stand at the threshold of an amazing Lionistic Year, i can takeaway, the invaluable 'Learning', i imparted to update myself, with the help of so many wonderful tools, which would not have been possible, otherwise, if i had not accepted the 'Role & Responsibility', of Club Secretary. Being a member, and being a member with a 'Title', has its own charm.

During my tenure, i had the opportunity to participate in many activities, interact with so many new faces, from different genres of society. There was a different level of satisfaction, whilst executing our work, but what was more intriguing, was, that it had a Social Cause attached.

During the 'N' number of meetings attended, the Members, ever-so-enthusiastic, kept the mood and spirit of our very presence 'High'. This gave me the 'Drive', the 'Josh', to perform my duties with the right, 'Zeal' and 'Zest'.
The PST Schooling, the PST Written Test experience, rekindled the vivid memories of my 'Alma Mater' days.

Our Club is one big happy family, and i have endured it's blessings and wisdom with grace.

I would like to thank a very special person, for being my Guide, my Mentor and for having faith in me, that I could execute all the Club's responsibilities, none other than
PMCC MJF Ln. Fatechand Ranka.

It would be wrong to thank just one individual for there as so many who contributed to my successful term.

To my President Ln. Deepali Gandhi and Treasurer Ln. Poonam Ashtekar, for being my 2 Strong Pillars. The Nomination Committee and Dignitaries of the Club for giving me the opportunity, 'To Serve'.

Last but not the least my better half, my husband Ln. Anil Oswal, for his undying and tireless love, support and guidance.

I would like to wish the "New PST", for the L.Y 2022-23, 'All The Very Best', and you can count on me for my unconditional support.

Also, i would like to wish our Club PRO & Editor 'SARAS Vikram', Ln. Aniket Aghaw, all the very best for his Editorial endeavours.

With my Sincerest Gratitude,

Ln. Anjali Oswal
Imm. Past Secretary
L.Y 2021-22

LIONS CLUB OF POONA SARASBAUG

I promise to maintain the dignity of my club.

I have been in Lionism for the past two years and this is my third year in the club.

LY. 2021-2022 as Club "Treasurer", saw me through a wonderful learning experience, especially being part of an "All Ladies PST Team". I would like to extend my gratitude towards my President Ln. Deepali Gandhi & Secretary Ln. Anjali Oswal for being my pillars of strength.

I humbly request all my Lion Members to continue with the Love and Support you have shown me as "Treasurer" in my journey, now as "Secretary", of the Club.

"Graphology - The Psychology Of Extraordinary Belief's"

'Graphology also known as Grapho-analysis', is a process that is used to attempt to determine personality traits and details about a person based on their handwriting. It began in 1871, by Jean Hippolyte Mochon, and is very popular in Europe, and especially in France. However, this maybe the text book definition, but i consider it as, "The Psychology Of Extraordinary Belief's". In today's world anyone and everyone is obsessed with how their future will turn out to be, especially in India, parents and grandparents flaunt Pandits to know about their new borns' even before they breathe air. The unruly part is when Blind Faith overrides Logical Judgement. Such, is not the case with Graphology.

Someone once told me that you write your destiny with your own bare hands. As any other science, graphology focusses more on Logic than adulterated calculations.

My brush with this wonderful science came out of a personal tragedy experienced with a close family member. Something which I is signed up as a 'Pass Time', grew it's influence on me and I landed up earning a 'Diploma'. I have conducted several workshops, but abstained myself from making it a profession.

But, for all the youth out there, this isn't a profession for the faint hearted, it requires immense discipline and hardwork to be successful, and one should consider this Vocation as a Career Option.

Graphologists are in huge demand now-a-days, and especially popular with Governmental agencies, and the science is considered highly result oriented. Predicting someone's future can be intriguing, but one needs to show both sides of the coin.

For more information on this beautiful science, plz feel free to connect with me on oswalanjali@yahoo.com.
